# COMMENCEMENT: OUR MOST IMPORTANT EVENT

The Commencement ceremony is the most important event of the year. The success of the ceremony is only possible because all employees are involved in the team to ensure our graduates are properly recognized. *NOTE: As final action cannot always be taken by the time this program goes to press, the list of degree and certificate recipients is tentative. The appearance of a name in this program does not necessarily mean that the person has received a degree from Three Rivers College. Conversely, the absence of a student's name does not mean the person has not been awarded a Three Rivers degree. The student's transcript is the official record of the College.*

# COLLEGE MACE

Leading the procession at Three Rivers College's commencement is the bearer of the College's mace.

A college mace is traditionally carried during formal academic occasions. The mace has long been used by colleges and universities in commencement exercises to symbolize the power and authority of higher education.

The Three Rivers College Mace and its stand were designed

and created by students in the Chaffee High School Industrial Technology Program, under the direction of instructor Jaron McMurry.

The Three Rivers Mace is made of Missouri Black Walnut, the state tree of Missouri. Embedded in the Mace is Mozarkite, the state rock of Missouri, in the shape of our state. Embedded in the stand is a President's Medallion.

# ACADEMIC REGALIA

Because the oldest universities in Europe were closely associated with the church of the Middle Ages, both faculty and students regularly wore clerical-style garb. The wearing of academic attire was adopted in North America in colonial days by Kings College in New York (now Columbia University).

In 1895, American universities and colleges standardized their academic raiment; the resulting style followed the tradition established by England's venerable Cambridge University. On ceremonial occasions, the regalia comprises a gown, hood, and cap.

The gown is usually black, and the long, pouch-like sleeves of the master's gown recall a former utilitarian purpose – to

carry books! The hood, originally worn over the head in bad weather, is today worn around the neck to hang down the back. The colors in the hood lining are the colors of the school conferring the degree. The color of the border indicates the scholarly field of the wearer; for example, white for Arts and Letters, light blue for Education, golden yellow for Science, pink for Music, and apricot for Nursing.

The cap consists of a closely fitting headpiece with a broad, flat, projecting square top and a tassel. The latter may be black for all degrees and ranks, or golden thread if the wearer holds a doctor's degree.

# INVEST IN THREE RIVERS COLLEGE

Consider investing in Three Rivers College and its commitment to:

- Helping students build brighter futures.
- Providing businesses with a well-trained workforce.
- Building partnerships that make Southeast Missouri a great place for all of us to live, work, and raise families.

Your investment in Three Rivers can be made as a remembrance, memorial, or honorarium to honor a person or occasion. You can donate for a specific purpose, such as a building or a scholarship, or for the general benefit of the College. Gifts to the College can be made immediately or as part of a deferred plan and can be cash, property, life insurance, stocks, bonds, leases, bequests by will, or trusts. We have ongoing opportunities for donors to purchase memorial bricks and benches for our Poplar Bluff campus, as well as books to enhance our library offerings to students. For more information, go to [trcc.edu/give](http://trcc.edu/give) or contact the Development Office.

Tax-deductible donations can be made to the Three Rivers Endowment Trust, a 501(c)(3) not-for-profit organization designated by Three Rivers College to receive and manage gifts on behalf of the College.

Learn more about the Three Rivers Endowment Trust, as well as other development and alumni efforts at [trcc.edu/give](http://trcc.edu/give). For more information on supporting Three Rivers with an investment, call the Office of Development at 573-840-9077.
