Overview

Graduation Rates Overview

Welcome to the IPEDS Graduation Rates (GR) survey component. The GR component collects data on the cohort of full-time, first-time degree/certificate-seeking undergraduate students and tracks their completion status at 150% of the normal time to complete all requirements of their program of study. This information is collected to assist institutions in complying with the requirements of the Student Right-to-Know Act.

Data Reporting Reminders

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- Once a student is in the cohort, they remain in the cohort, even if their status changes to part-time or they drop out or transfer out of the institution. However, adjustments can be made to the cohort for allowable exclusions, which include the death of a student, permanent disability, military deployment, or service on an official church mission or with a foreign aid service of the Federal government.
- When reporting award levels for sub-baccalaureate certificates, determine program length by the number of credit or clock hours.

Changes to reporting:

The following changes were implemented for the 2022-23 data collection period:

- The "Nonresident alien" category has been changed to 'U.S. Nonresident' but should include the same students.
- A gender question has been added at the end of the collection to collect information about students for whom gender does not fit the binary gender (Men/Women) categories provided. **Institutions should still allocate those students to the Men/Women category throughout the rest of the survey component at this time.**
- An FAQ (#7) has been added to clarify where to report undocumented and DACA students in race/ethnicity categories.
- Change the term 'summer term' to 'summer session' throughout the instructions and FAQs.

Resources:

- The survey materials package for this component can be downloaded using the following link: [Survey Materials](#)

If you have questions about completing this survey, please contact the **IPEDS Help Desk at 1-877-225-2568**.

Establishing cohort

Establishing cohorts

Based on your institution's response to the predominant calendar system question (B3) on the Institutional Characteristics Header survey component from the IPEDS Fall 2022 data collection,

your institution must report graduation rates data using a :

Fall Cohort

A fall cohort is used by institutions with standard academic terms (semester, trimester, quarter, 4-1-4). A full-year cohort is used by institutions offering primarily occupational/vocational programs and operating on a continuous basis.

Reporting Reminder:

- Report Hispanic/Latino individuals of any race as Hispanic/Latino
- Report race for non-Hispanic/Latino individuals only

Cohort of full-time, first-time degree/certificate-seeking undergraduate students

Please review the data in the initial cohort column and re-enter the cohort data making any necessary corrections for omissions, erroneous reporting, or where better information regarding race/ethnicity or gender is available. Institutions must continue to report using the new race/ethnicity categories. For information and assistance with this, please visit the [IPEDS Race/Ethnicity Information Center](#).

Establishing cohort - Gender Unknown or another gender than Men/Women categories

Establishing cohorts - Gender Unknown or another gender than provided men/women categories

Is your institution able to report another gender for the 2022-23 data collection? If you indicate 'No', your institution should leave the cells in the rows for 'Another gender' blank (i.e., do not report 0). If you indicate 'Yes', but no students identified as another gender, please enter '0'.

Of the total students in the revised cohort, how many students did you allocate to a binary gender category (Men/Women) because their gender was unknown or another gender than the provided categories?

Cohort of full-time, first-time degree/certificate-seeking undergraduate students

In the columns below, report the status of the 2019 cohort of full-time, first-time degree/certificate-seeking undergraduate students listed in Column 10. Those who completed their program within 150% of normal time as of August 31, 2022 should be reported in either Column 11 or 12, depending on the length of the program completed.

- Report Hispanic/Latino individuals of any race as Hispanic/Latino
- Report race for non-Hispanic/Latino individuals only

Transfers/exclusions

- In the columns below, report the status of those students in the 2019 cohort of full-time, first-time degree/certificate-seeking undergraduate students listed in Column 10 who did not complete a program as of August 31, 2022.
- Report transfers-out who did not complete a program in Column 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed a program, you must report transfer-out data in Column 30. A school is required to report only on those students that the school knows have transferred to another eligible institution. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.
- Report eligible exclusions from the cohort in Column 45. The ONLY allowable categories for this column are:
 students who died or became permanently disabled
 students who left school to serve in the armed forces (or have been called up to active duty)
 students who left school to serve with a foreign aid service of the Federal Government
 students who left school to serve on an official church mission
- Column 52 [No longer enrolled] will be calculated for you. This includes students who have dropped out as well as those who completed in greater than 150% of normal time.
- If you do not have any values to report in either Column 30, 45, or 51, you must enter at least one zero in a field on this screen to continue.

Completers within 100%

- In the columns below, report the status of those students in the 2019 cohort of full-time, first-time degree/certificate-seeking undergraduate students who completed their program within 100% of normal time to completion.
- Those who completed their program within 100% of normal time should be reported in either Column 55 or 56, depending on the length of the program completed.

Pell recipients and recipients of a subsidized Direct Loan who did not receive a Pell Grant

For each subcohort, report the number of students in the cohort, total exclusions for the cohort, and the number of students that completed a certificate or degree within 150% of normal time to completion.

- Recipients of a Pell Grant and Recipients of a Direct Subsidized Loan that did not receive a Pell Grant are **mutually exclusive**, that is, if a student is in one cohort, they cannot be in the other cohort.

- The total of these 2 subcohorts must be less than the full-time, first-time, degree/certificate-seeking cohort

Do you wish to provide additional context notes?

No
 Yes

 You may use the box below to provide additional context for the data you have reported above. Context notes will be posted on the College Navigator website. Therefore, you should write all context notes using proper grammar (e.g., complete sentences with punctuation) and common language that can be easily understood by students and parents (e.g., spell out acronyms).

Summary

2022 IPEDS Graduation Rate Component Data Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2023.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
