

**Instructor of Nursing for Evening Program (Poplar Bluff Campus)**

Full-time, ten-month position responsible for team teaching OB/Pediatric nursing, pharmacology, and Mental Health/Medical-Surgical nursing. BSN and two years work experience required, MSN preferred.

The associate degree nursing program is NLNAC accredited with full approval from the Missouri State Board of Nursing. Faculty must be willing to teach evenings and to embrace new teaching technologies and delivery systems. Salary based on education and experience according to college scale (minimum salary of \$36,100); excellent fringe benefits including tuition, fees, and books at state cost for completion of a Master's degree MSN program. TRCC application, transcripts, and resume with names and phone numbers of three references required for complete applicant file. Initial review of applications will begin immediately and continue until appointment is made. We do background checks.
