INVOCATION

The minutes of the meetings on December 19, 2013 were unanimously approved as presented on a motion by Trustee Garrison and second by Trustee Ressel.

APPROVAL OF BOARD MEETING AGENDA

APPROVAL OF MINUTES OF NOVEMBER MEETING

Charlotte Eubank reported the college’s revenue and expenses as of December 31, 2012. The college is 50% into the fiscal year and has recognized 77% of budgeted revenue. Increased revenues are due to the increase in enrollment and Spring registration as of the end of December. Other operating revenue is up due to the Cape Girardeau Partnership for Higher Education revenue that was not budgeted. The college is on target for expenses at 51% of budget being spent.

CONSIDERATION OF COLLEGE FINANCIAL REPORT AND BUDGET ADJUSTMENTS

Charlotte Eubank presented budget adjustments that were detailed in a handout provided to the board.

Revenue adjustments included the inclusion of the Cape Girardeau Partnership, revenue from the LPN program and an increase to our tuition based on the current revenue. These revenues were not anticipated at the time of the budget approval process in June 2012.

Expense adjustments included expenses associated with the LPN program, savings from the reorganization of the Division of Learning, the salary adjustments that were approved by the Board at the December 2012 meeting and some miscellaneous expenses that were not included in the previously approved budget.

The December 2012 financial report and proposed Budget adjustments were unanimously approved on a motion by Trustee Ressel and a second by Trustee Garrison.
Dr. Payne reviewed Spring Convocation. The format was adjusted from an entire day to a noon meeting of the faculty and staff. All off-campus center personnel joined the meeting via webcast. This format allowed the faculty and staff to prepare for the students arrival on Tuesday. Dr. Stephenson reviewed the information that he presented in his PowerPoint presentation at the convocation.

Dr. Totty presented details relating to Spring Registration. We are reporting a 2% increase in head count on the first day of the semester as compared to 2012 census. Credit hour production is up 8.47%.

Dr. Stephenson discussed the Governor’s visit and reviewed the lobbying efforts currently in place in Jefferson City. Community Colleges have strong support in the legislature for increased funding and support. Very positive environment.

Dr. Payne discussed the Ag Expo that is a joint venture with the college and the Missouri Extension Center. Dr. Jon Hagler and Senator Doug Libla were at the ribbon cutting ceremonies for the opening of the Expo.

Dr. Payne announced the next Patron of the Arts events. Celtic Nights will be held February 28.

Other special events include Homecoming on Feb 2, A passion for Service presentation with the Chamber on January 5 and Multicultural Week events the week of February 4.

Dr. Totty reported that the Multicultural Club held a luncheon showcasing various dishes from each of the cultures. The Club also
attended the Memphis in May event in Memphis, TN.

Dr. Totty reported that the SGA sponsored a Blitzball/laser tag event. Blitzball is similar to paint ball using small soft balls instead of paint.

Dr. Stephenson reminded the board that the 2013 Commencement will be May 19 with Mark Shriver as the speaker. This year the college will present a commemorative commencement medallion to each candidate participating in the ceremony.

Dr. Stephenson introduced Rob Tomlinson, Director of Physical Plant; Amber Spears, Administrative Assistant/Physical Plant; and Lee Ann Wesemann, Cashier to the board.

Dr. Stephenson presented Randy Winston with an award recognizing his leadership as Chairman of the Board 2012-2013.

Dr. Stephenson recommended the naming of the building housing the Academic Resource Commons to be the Lambert C. Drury Academic Resource Commons in appreciation of the Drury family’s support of Three Rivers College and the students the college serves. The gift from the Drury family (the Pear Tree Inn) resulted in revenues to the college of $530,000. The resolution was unanimously approved as presented on a motion by Trustee Ressel and a second by Trustee Thornton.

Charlotte Eubank discussed the process undertaken in obtaining bids for the banking services. She personally met with or spoke with representatives from the local banks in preparation for letting the bids to ensure all banks were aware that we were in the bidding process. There were two bids received: Southern Bank and First Midwest Bank of Poplar Bluff. Based on a thorough review of bids and the financial implications for the college, it is recommended that the college accept the bid from Southern Bank for the period July 1, 2013 thru June 30, 2016.

Motion to accept the Southern bid was made by Randy Winston with a second from Phil Davis. The board was polled with the following results: Trustee Garrison, yes; Trustee Grassham, yes; Trustee Ressel, abstain; Trustee Davis, yes; Trustee Thornton, yes; Trustee Winston, yes. The motion was approved with five yes and one abstain.

Dr. Payne discussed the bidding process for the copier needs at the college. Our current leasing contract will expire June 2013. It is the recommendation of the administration to purchase replacement...
copier rather than enter into another lease program. The requested maintenance agreement in the bid included all consumables with the exception of paper and staples. The new technology that is available will allow for the college to securely print and to track all copies to individual employees for billing purposes. After the review of the bids, it is the recommendation of the administration that the college accepts the bid from Shelton Business Machines for the purchase of the copiers and service only maintenance agreement. Dr. Stephenson commended Steve Atwood for his diligence in research and thorough analysis of the college copier needs, bid specs, and review of bids.

Motion to accept the Shelton Business Machines bid was made by Trustee Winston with a second by Trustee Thornton. The motion was unanimously approved.

Dr. Stephenson presented the background for the bid. Our current bulbs and ballast are no longer made and must be obtained from a secondary market, resulting in a higher cost to the college. Anticipated energy savings from the new technology is approximately $50,000 annually. There is a further savings of $60,000 in labor if the college personnel perform the installation of the new product. It is the recommendation of the administration that the college accepts the bid from Voss Lighting for the 25-watt lighting solution and request college maintenance personnel perform the installation.

Motion to accept the Voss Lighting bid and have the maintenance personnel perform the installation was made by Trustee Davis with a second by Trustee Garrison. The motion was unanimously approved.

Dr. Payne presented the background for the need to replace the audio system in the Tinnin Center. It is the first of a three-part need. The rigging and curtains also need to be replaced and these bids will be forthcoming. The system will provide substantially higher quality than our existing system and place the college within professional industry standards that will be more acceptable to the talent that the college hosts throughout the year. It is the recommendation that the college accept the Unity Pro Audio Video bid.

Motion to accept the Unity Pro Audio Video bid was made by Trustee Winston with a second by Trustee Thornton. The motion was unanimously approved.

Dr. Stephenson presented personnel changes. Motion to accept was made by Trustee Ressel and seconded by Trustee Davis. The motion was approved.

Chairman Garrison asked the administration and board members if
there was business to conduct in an Executive Session. As there was no business to be conducted, the board did not enter into Executive Session.

There being no further business, the board unanimously approved to adjourn the meeting at 12:46 p.m. on a motion by Trustee Winston and a second by Trustee Davis.

The regular meeting of the Board of Trustees was held in the Board Room of the Tinnin Fine Arts Center on the main campus in Poplar Bluff, Missouri, on Wednesday, June 24, 2013 at 12:00 p.m.

Those present included: Trustees: Darren Garrison, chairman; Randy Grassham, vice-chairman; Ben Ressel, secretary; Phil Davis, treasurer; Wilbur Thornton, member; Randy Winston, member and college administrators: Dr. Devin Stephenson, president; Dr. Wesley Payne, vice president for learning; Dr. Angela Totty, vice president for student success; Charlotte Eubank, chief financial officer; Janine Heath, recording secretary.

Trustee Grassham delivered the invocation.

The agenda as unanimously approved as presented on a motion by Trustee Winston and a second by Trustee Davis.

The minutes of the meetings on May 15, 2013, were approved as presented on a motion by Trustee Ressel and second by Trustee Winston.

Charlotte Eubank reported the college’s revenue and expenses as of May 31, 2013. The college is 92% into the fiscal year and has recognized 94% of budgeted revenue. Increased revenues are due to the increase in enrollment. Our expenses are at 83% of our budgeted expenses. This results in a change to net assets of $3,056,185.

Trustee Garrison asked where we expected to be at the end of June as compared to budget. Charlotte indicated that we should end the year with a $1,600,000 surplus.

Dr. Stephenson informed the board that the cabinet members began retrenching expenditures in May in order to maximize the surplus. He saluted the college budget managers for their good work. Trustee Garrison agreed. He stated that it was nice to have the expenditures under control and the college in such a good financial position.

The financial report was approved as presented on a motion by Trustee Davis and second by Trustee Thornton.

Dr. Stephenson reported that the college had a record number of degree candidates – 700 with 350 students participating in the graduation. The college gave Three Rivers College medallions for

President's Report

Commencement
the first time this year and the medallions were well received by the candidates for graduation.

Dr. Stephenson informed the board that the college received national coverage due to Mark Kennedy Shriver agreeing to be our guest speaker. We gained a strong advocate in Washington DC due to the relationship that was built between the college and Mr. Shriver.

Dr. Stephenson reported on the recent event with SRG in celebration of an $800,000 workforce training grant. SRG manufactures chrome-coated grills for many automobile companies. The new grant is the second largest contract in which the college has engaged. Governor Jay Nixon along with SRG’s Senior Vice President, Richard Cummings, joined in the celebration.

Dr. Payne discussed the graduation of class 182 from the academy. This academy is the largest in the state. There were 28 graduates from this program and was well attended.

Dr. Stephenson reported that through a partnership with the City of Dexter, the college received directional signs from MODOT on highway 60. The city of Dexter paid 50% of the cost.

Dr. Stephenson was invited on the USDA trade mission to Turkey. The invitation came through Dr. Hagler’s office and Three Rivers College was the only two-year institution that was represented on the trip. There were presentations from 72 different companies and institutions from Turkey. Dr. Stephenson discussed his concentration on precision AG programs, student exchange and program articulation, and that he lobbied throughout the week to get support for the recently submitted DOL grant.

Dr. Payne introduced the team that attended the recent HLC Academy to present the work of the past 5 years in developing a student learning outcomes assessment system. This was the final presentation to the academy and we now have a certificate of completion. This is another milestone in continuing to build our continuous improvement strategic planning initiative.

There is a formal HLC visit scheduled for November 18 and 19 to the college. This visit will evaluate our improvements from the last visit. There were issues with the strategic planning and assessment/outcomes from the prior report. These items have been addressed and the expectation is that the visit will be positive from all aspects.

Dr. Stephenson reported that the annual board retreat was held last week in Sikeston. He invited the board members to comment. Trustee Davis enjoyed meeting the community leaders from Sikeston. Trustee Thornton also commented on the enthusiasm of
the community members. Dr. Stephenson informed the board that the city of Sikeston has approved close to $400,000 dollars to build and install the traffic light at the new entrance.

Charlotte Eubank presented the proposed FY14 Budget. The tuition numbers reflect FY12 enrollment numbers – a conservative estimate. The state core allocation increased more than $200,000 due to redesign of the funding formula that reflects the increased headcount. Ms. Eubank pointed out that the challenges encountered in the current budget process were 1) Increases in salaries and benefits as approved by the board; 2) increases in our health insurance premiums; 3) increased expenses due to increased growth; 4) deferred expenses relating to maintenance items on campus.

The proposed budget is separated into two areas; 1) Operating budget of $23,884,026 and 2) Capital Budget of $10,462,787.

The operating budget covers the recurring expenses associated with the daily activities of the college.

- 56% - Salaries and Wages
- 34% - Operating Expenses
- 6% - Scholarships
- 2% - Capital
- 2% - Depreciation

The capital budget funds the following projects
- Poplar Bluff classroom Building
- Eastern Campus
- Kenneth Safe Room
- Kenneth Center remodel
- Softball Building
- New entry – Poplar Bluff Campus
- Renovation of Westover Administration Building and Bess Activity Center
- Tinnin Fine Arts Roof Replacement
- Willow Springs Center

After an open discussion with the board and administration, the motion was made to accept the FY14 Budget as presented by Trustee Thornton with a second by Trustee Davis. The board was polled with the following results: Trustee Davis, yes; Trustee Garrison, yes; Trustee Thornton, yes; Trustee Ressel, yes; Trustee Winston, yes; Trustee Grassham, yes. The motion was unanimously passed.
Dr. Stephenson presented the lease for the Student Housing buildings from the Three Rivers Building Corporation. This is an annual renewal.

Trustee Davis made the motion to renew the lease with a second by Trustee Grassham. The motion was unanimously approved.

Charlotte Eubank presented the background information for the bids. Four (4) companies were contacted and one responded with a bid for auction services. After discussion by the board Trustee Davis made the motion to table the discussion until the next board meeting.

Due to scheduling conflicts in January with the MCCA meeting it was requested to move the January Board of Directors meeting to January 22.

Motion to change the date was made by Trustee Ressel with a second by Trustee Davis. The motion was unanimously approved.

Dr. Stephenson presented the acceptance of employment and resignations. Trustee Winston made the motion to accept the personnel actions as presented with a second by Trustee Grassham. The motion was unanimously approved.

Chairman Garrison asked the administration and board members if there was business to conduct in an Executive Session. As there was no business to be conducted, the board did not enter into Executive Session.

Trustee Garrison reviewed the NJCAA response to be sent by the administration in order to have scholarships reinstated. Through the efforts of the administration and the booster club, we will have 3 of our 6 men’s basketball scholarships reinstated effective July 1 and the 2 baseball scholarships reinstated.

Trustee Winston informed the board that there has been a request for the college to offer our field for free in order to host the first annual Spring Softball tournament.

There being no further business, the board unanimously approved to adjourn the meeting at 12:45 p.m. on a motion by Trustee Winston and a second by Trustee Thornton.

The annual board retreat of the Board of Trustees was held in the Boardroom of the Montgomery Bank Building in Sikeston, Mo, on Wednesday, June 19, 2013, at 9:35 a.m.

Those present included: Trustees: Randy Winston, member; Darren Garrison, vice chair - absent; Ben Ressel, secretary; Randy Grassham, vice chairman – absent; Phil Davis, treasurer; Wilbur Thornton, member; and college administrators: Dr. Devin Stephenson, president; Dr. Wesley Payne, vice president for learning; Dr. Angela Totty. Vice president for student success; Charlotte Eubank, chief financial officer; and Janine Heath, recording secretary. Guest: Ben Gordon, project technician for college; Jonathan Atwood, coordinator of media services and Donna Farley, Daily American Republic.

Randy Winston called the board meeting to order. Mr. Thornton delivered the invocation.

Charlotte Eubank presented the bid details outlining the results of the custodial bid. Dr. Stephenson explained that we began outsourcing these services in 2010 and that MMMM has served as our independent contractor since that time. The recommendation from the administration is to accept Bid Option #4 from Mitch Murch’s Maintenance Management (MMMM) company, which represents an annual savings of $19,045. There was discussion as to whether or not the services that were being delivered by MMM were satisfactory to the administration. Ms. Eubank explained that there were some issues but language will be put into the contract to ensure that issues going forward will be addressed in a timely manner. In addition, the contract will call for the implementation of regularly scheduled meetings with the management of MMMM, Director of Purchasing, and Director of Physical Plant.

Motion to accept Bid Option #4 was made by Trustee Ressel with a second from Trustee Davis. The voting was as follows: Trustee Davis, yes; Trustee Garrison, absent; Trustee Thornton, yes; Trustee Ressel, yes; Trustee Winston, yes; Trustee Grassham, absent.

Dr. Stephenson gave an update on the 2013 Legislative Session Summary. He pointed out that Trustee Thornton assisted MCCA Presidents/Chancellors Chair Debbie Goodall in presenting the budget for the state’s community colleges to the House Budget Committee. Several House and Senate Bills that would have impacted community colleges were proposed into legislation but...
failed to make it to vote. They are: Higher Education Funding Formula changes; Scholarship Eligibility Changes; and Bonding for Capital Projects. Most likely, the bills will be considered in the next session.

Dr. Wes Payne and Dr. Maribeth Payne, along with a group of faculty, attended the HLC Assessment Academy for presentation of our Learning Outcomes. Three Rivers College received a certificate of completion as well as a letter from the review committee stating that we have made tremendous improvement in the last three years and completed the requirements of the Assessment Academy.

Dr. Stephenson briefed the trustees on the proposed softball clubhouse and that there will be a more detailed review during the budget presentation at the regular meeting on Monday, June 24.

Dr. Stephenson informed the board that a grant application was submitted to the Department of Labor on June 18 for $2,750,000 for program expansion needs in advanced manufacturing and precision agriculture. The college employed Tom Miller and Associates to assist in the preparation of the grant application.

Dr. Stephenson began his FY14 focus with a salute to the President’s Cabinet for accepting and meeting the challenges of 2012-2013.

Dr. Stephenson distributed an updated college organizational chart and briefly described each division’s functional responsibilities as they related to the overall operations of the college.

Dr. Stephenson reviewed the Missouri General Revenue Collections for FY13 and reported that there was a 10.4% increase over FY12. He further noted that Missouri added 4,600 jobs in May. The seasonally adjusted unemployment rate for May stood at 7.6% - the 45th consecutive month that Missouri’s unemployment rate was lower than the national rate. The overall budget picture shows that the continued growth in the economy will keep revenue production on track; revenue growth for FY14 is projected at 3.1%; and that Governor Nixon’s priorities include expanding A+ Scholarships statewide and provide more funding for higher education tied to improved outcomes.

Dr. Stephenson presented the Budget/State Appropriation comparison showing the growing gap between budgeted revenues and state appropriation. State appropriations have dipped from FY2010 to FY14 by 6% while the budgeted revenues of the college have grown by 33.3%. State contribution per student is $1,433 per student at Three Rivers College and $6,961 at Truman. MCCA is working on correcting the inequity between the four-year and two-year sector.
Dr. Stephenson reviewed the FY13 Accomplishments of the Three Rivers Endowment Trust.

- Family Campaign - 98% participation in 2012
- Board of Trustees – 100% participation
- Endowment Trust Board – 83% participation
- Community Campaign – over $883,000

- The college received 3 property donations.
- New Endowed Scholarships - $172,321
- Scholarships Awarded in FY13 - $32,971

The Inaugural Alumni Golf Tournament is scheduled for June 28, 2013, at Westwood Hills Country Club.

Dr. Stephenson presented the Executive Focus for FY14.

- Property & Facilities Development
  - Poplar Bluff Campus
  - Eastern Campus
  - Kennett Site Planning – Emerson
- Fund Raising & Friend Raising
  - Entire 15-county Service Area
  - Alumni
- Continue Effective Budget Development & Management
  - Impeccable Audits
  - Expenditures tied to Budgeting and Planning
  - Development of Multi-year Tuition/Fee Analysis and Plan
    - Review the mission and vision of the college, national, state, and local economic indicators, and college budget needs for the purpose of developing a revenue projection system that facilities college advancement.
- Personnel Development
  - Growing Leaders Among Us
  - Innovation/Creativity
  - Health & Wellness
  - Empowerment w/Accountability
- External Grant Procurement
  - US Department of Agriculture
  - US Department of Education
  - US Department of Labor
  - US Department of Health and Human Services
  - Private Foundations
- Executive Leadership and Advocacy
  - Future proofing college operations
  - Presenting the Community College message to all constituents
  - Chair-elect of Presidents/Chancellors Council within MCCA
  - Representing the college in the FY14 MO General Assembly session
Dr. Stephenson explained that community colleges are innovative and agile in meeting economic and workplace needs and that we are now the largest and fastest-growing segment of U.S. Higher Education. 52% of new nurses are educated at Missouri’s community colleges. Evidence suggests that each year of credit at a community college is worth almost as much, in terms of increased earnings potential, as a year at a four-year college. Three Rivers College growth is 50% over 2008.

Dr. Payne presented the FY14 Divisional Priorities for Learning. Those priorities are: 1) improve academic quality; 2) increase student achievement; 3) increase faculty capacity; 4) increase the quality and use of technology; 5) improve collaboration with student success; 6) increase educational opportunities; 7) improve communication; 8) increase/improve learning assessment.

Dr. Totty presented the FY14 Divisional Priorities for Student Success. Those priorities are: 1) communication; 2) collaboration with the division of learning; 3) focus on recruitment and retention of first year students; 4) assessment; 5) student leadership and involvement; 6) campus safety and student wellness; 7) infrastructure.

Charlotte Eubank presented the FY14 Divisional Priorities for Financial Services. Those priorities are: 1) improve communication and collaboration with other college divisions; 2) assessment; 3) cost reduction; 4) promote an environment of compliance; 5) support the campus master plan; 6) technology.

Charlotte Eubank led discussion on the proposed FY14 operating budget and the proposed capital budget. Mrs. Eubank explained the assumptions and methodology for preparing the budget, challenges with the budget, and timeline these events took place. The proposed operating budget is $23.9 million and the proposed capital budget is $10.5. Mrs. Eubank illustrated the projected revenue by source and proposed expenditures by function and natural class. Salary increases and cost of living adjustments will be visited mid-year to ensure revenues are on target with projections. Discussion followed. Funding sources for the proposed capital budget are SEMA/FEMA grants, bonds and FY13 savings.

Trustee Winston asked about the NJCAA results. Dr. Totty will have a draft of the requested response at the Monday, June 24 regular board meeting. Trustee Winston stated that as long as the booster club remains compliant with NJCAA regulations we need to move forward. Trustee Ressel stated that there was a good partnership between the administration, booster club and board in
accomplishing the reinstatement of the scholarships.

There being no further business, the board adjourned the meeting at 1:00 p.m. with the departure of Trustee Winston resulting in the loss of a quorum.

The regular meeting of the Board of Trustees was held in the Board Room of the Tinnin Fine Arts Center on the main campus in Poplar Bluff, Missouri, on Wednesday, July 17, 2013 at 12:00 p.m.

Those present included: Trustees: Darren Garrison, chairman; Randy Grassham, vice-chairman; Ben Ressel, secretary; Phil Davis, treasurer; Wilbur Thornton, member (via conference call); Randy Winston, member and college administrators: Dr. Devin Stephenson, president; Dr. Wesley Payne, vice president for learning; Dr. Angela Totty, vice president for student success (via conference call); Charlotte Eubank, chief financial officer; Janine Heath, recording secretary.

Trustee Garrison delivered the invocation.

Trustee Winston added “Discussion of Athletic Budget to include athletic Insurance” to the agenda. A date change to the Tax Levy meeting was made correcting the date of the meeting to August 28, 2013. The amended agenda as unanimously approved as presented on a motion by Trustee Davis and a second by Trustee Grassham.

The minutes of the meeting on June 19, 2013 were unanimously approved as presented on a motion by Trustee Davis and second by Trustee Grassham.

The minutes of the meeting on June 24, 2013 were unanimously approved as presented on a motion by Trustee Ressel and second by Trustee Grassham.

Charlotte Eubank reported the college’s revenue and expenses as of June 30, 2013. Preliminary results for FY13 were reported as a change in net assets of $4,105,732. This is due to increased revenues of 3% and a savings to the operational expenses of $2,588,471. There were transfers to the capital budget of $2,717,770 which result in a net asset change after transfers of $1,387,862. The financial report was unanimously approved as presented on a motion by Trustee Winston and second by Trustee Davis.

Trustee Winston congratulated Charlotte Eubank on the completion of her Master’s Degree.

Dr. Payne reported that there were 34 in the 1st graduating class of the Three Rivers PN Program. The college oversees the PN
programs at the Career Technical Centers in Kennett and Hayti. The program generated revenue above the cost of the program at the end of the first year and is therefore appears to be a viable program that the college intends to continue.

Dr. Stephenson reported that the Three Rivers Endowment Trust held a fund-raising golf tournament in June. There was a shrimp boil for lunch with the tournament taking place in the afternoon. There were 24 teams with 28 hole sponsors. The tournament netted $13,000+. Emily Parks and the staff were congratulated on an event well planned and executed. The expectation is to try to double the turnout next year.

Dr. Stephenson discussed the recent plant tour with Unilever. During the tour there was a discussion of employee training and retention and assistance that Three Rivers could provide for the corporation. Clovis Delwiche (the plant manager) is very supportive of Three Rivers and our workforce training programs and has requested a gift from the company for the development of the Eastern Campus.

Dr. Stephenson reported that the Eastern Campus Groundbreaking will take place on August 15 at 10am. The cranes arrived today to begin the site preparation. All are invited to attend.

Dr. Stephenson announced that the college is partnering with the City of Kennett to relocate the center to the former ACS building. This will increase the space from 10,000 square feet to 17,000 square feet and will allow for expansion of our classroom and lab space.

Dr. Stephenson also reported that we are partnering with Scott County High School to offer evening classes to relieve overcrowding at the Center at Sikeston. We are also conducting Saturday classes to serve more students.

Dr. Stephenson informed the board that the current Conflict of Interest policy must be re-adopted and resent to the state each year. There are no changes to the existing policy, the board just needs to re-adopt. Trustee Winston made the motion to confirm and Trustee Thornton seconded. The motion was passed unanimously.

Trustee Davis made the motion to remove this item from the table. Trustee Ressel reported that he had toured the property with an independent consultant to determine if we should proceed with the auction or if there was a better solution. The consultant estimated that the building and content would value in the $500,000 range. Trustee Ressel asked the board if they would consider selling the building and property as is. Trustee Davis responded that the Emerson Corporation had the building on the market for a long period of time with no interest generated. Recommended to contact commercial realtors to gather information for the August Board
Dr. Stephenson presented the slate of officers for FY14 for approval. The board unanimously approved the proposed officers on a motion by Trustee Ressel and a second by Trustee Davis.

On a motion by Trustee Winston and a second by Trustee Garrison the board unanimously approved the date of August 28, 2013 at 11:45am for the Tax Levy Meeting.

Dr. Stephenson recognized Brian Orr with Toth and Associates and thanked him for the efforts that have been made with SEMA/FEMA to obtain grant money for this project.

Dr. Stephenson presented the current design of the building and explained the following:

- The proposed Event Center is projected to comfortably seat 2,000 spectators with stadium-type (seatback) chairs
- The total projected cost is $8.8 million, based upon a substantive review of proposed materials, finishes, equipment, furnishings, etc.
- Addition of 500 more seats would require the facility to be increased in size by 8,000 sq. ft. and would cost an additional $1 million dollars.

Dr. Stephenson reviewed the funding plan for the building. He shared comments from Greg Bricker regarding the third bonding project. In order for George K. Baum to proceed with this issue, private donation funding must be accessible in the amount necessary to complete the building, after the SEMA/GRANT and existing bond and college dollars are used.

Trustee Winston stated that he would like to see donations made before any funding is contributed from the college. Trustee Davis stated that the board was in agreement that the building should be built, however the board needs to make sure that the community is involved and fully participates in the funding.

Trustee Ressel asked about the rising interest rate and should we make the decision sooner rather than later.

Trustee Garrison stated that he believed the college could up the bond issue by $1 million comfortably. He also indicated that possibly the college could contribute some from the general fund. He stated that we should move forward with the event center.

Allen Brooks, with the Endowment Trust board stated that he and the TRET board understands that donations need to be made and that the Endowment Trust is actively working to get this done.
Dr. Stephenson indicated that Emily Parks will work with the college’s Communication Department to develop a specialized publication for the event center.

Trustee Winston made the motion with a second from Trustee Ressel to move into executive session. The board was polled as follows: Trustee Davis, yes; Trustee Garrison, yes; Trustee Thornton, yes; Trustee Ressel, yes; Trustee Winston, yes; Trustee Grassham, yes.

Trustee Garrison led the discussion regarding insurance requirements for the athletes. He stated that he thought the board had agreed not to require primary insurance when the Secondary Athletic Injury policy was renewed. Trustee Davis stated that he was concerned as to whether or not the athletes would have the money to pay for the primary. Dr. Totty stated that our insurance was a secondary policy only. She also shared that the majority of the community colleges required that the athlete/athlete’s family/legal guardian possess primary care insurance. Trustee Ressel stated that he found it hard to believe that other colleges required this coverage.

Trustee Garrison requested that we contact the insurance company to see if we can remove the requirement of primary insurance from the policy. He also requested that the information that is given to the student athletes be brought to the August meeting. Further discussion will happen during the August meeting.

There being no further business, the board unanimously approved to adjourn the meeting at 2:27 p.m. on a motion by Trustee Davis and a second by Trustee Winston.

The regular meeting of the Board of Trustees was held in the Board Room of the Tinnin Fine Arts Center on the main campus in Poplar Bluff, Missouri, on Wednesday, August 28, 2013 at 12:00 p.m.

Those present included: Trustees: Darren Garrison, chairman; Randy Grassham, vice-chairman; Ben Ressel, secretary; Phil Davis, treasurer; Wilbur Thornton, member; Randy Winston, member and college administrators: Dr. Devin Stephenson, president; Dr. Wesley Payne, vice president for learning; Dr. Angela Totty, vice president for student success; Charlotte Eubank, chief financial officer; Janine Heath, recording secretary.

Trustee Grassham delivered the invocation.

Trustee Ressel requested that the considerations of Personnel Action be moved to after the executive session and that the Board vote separately on each individual. Trustee Grassham added “Consideration of matters of real estate for proposed main entrance” to the agenda directly following the President’s Report. The amended agenda as unanimously approved as presented on a motion by Trustee Thornton and a second by Trustee Winston.

The minutes of the meeting on July 17, 2013, were unanimously approved as presented on a motion by Trustee Winston and second by Trustee Davis.

Charlotte Eubank reported the college’s revenue and expenses as of July 31, 2013. At one month or 8% into the fiscal year the college has recognized 27% of the budgeted revenues. The revenues include fall registration through the end of July but do not include any activity in August. Expenses are at 5% of the budgeted expenses. The financial report was unanimously approved as presented on a motion by Trustee Ressel and second by Trustee Winston.

Dr. Stephenson reported that the ARC is open and very busy with students in fall classes. The transitional labs and classrooms have provided the appropriate space and support for our updated curriculum in the transition courses.

Dr. Stephenson reported that our head count has reached a plateau. This is in part driven by the reduction in the number of graduating high school students and the limited number of seats that exist in the transitional labs. He assured the board that due to the budget
numbers being based on registration numbers from FY12 the financial stability of the college is being maintained. The college has added an additional recruiter in order to provide more effective representation throughout our service area.

Dr. Totty reported that the “Welcome Back” in housing was held August 18 and that Dr. Stephenson and Dr. Payne were the guest chefs. The evening provided fellowship, food, music and fun for all of the returning students in housing.

Dr. Payne announced the delivery of the Mobile Skills Training Labs on August 15 and August 21. These labs will allow us to quickly and flexibly respond to the training needs of area manufactures. The ribbon cutting is being planned for September 25 at 11 am.

Dr. Stephenson discussed the groundbreaking ceremony for the Eastern Campus. The local support in the Sikeston community was remarkable and resulted in standing room only at the event. It was a celebration of the start of a new era of higher education in Southeast Missouri.

Dr. Stephenson updated the board on the Fall Convocation that was held on August 12 to kick off the fall semester. Updates were presented to Faculty and staff on the Campus Master Plan expansions; celebration of the recognition as being one of the top 10 safest campuses; planning around the increasing funding gap; the focus on continuous improvement; online course improvements; streamlining advising through technology; solid fiscal footing for the college; and the campus-wide emergency notification system.

Trustee Thornton commented that it was the best convocation he had ever attended. He also commented on the breakout sessions and reported that the sessions that he attended were excellent.

Dr. Payne announced that Jack Armor was successful in getting a “pumper” truck donated by the Butler County Fire Protection District that will allow us to enhance our fire training classes.

Dr. Totty reported that off-campus centers and Poplar Bluff campus held open houses for prospective students in August. Representatives of educational programs and student services participated providing campus/center tours and providing the opportunity for registration and completion of financial aid applications. 81% of the individuals who attended enrolled in fall semester.

Dr. Stephenson reported that Marty Michael with Key Drug hosted a press conference with Governor Jay Nixon to discuss state funding and healthcare. The College Administration was invited and participated with the Governor in the event.
Dr. Stephenson attended a meeting with state representatives and Dr. Dobbins (SEMO) in Kennett to discuss the impact of HB253 on education funding.

Dr. Payne informed the board that the first class of Paramedics have graduated and passed their certification exams. The class started with 6 students and 6 students successfully completed the program.

Dr. Payne presented the 2013-2014 Patrons of the Arts season. There will be 8 shows including 3 children's productions. This season the children's productions have expanded to include performances in Dexter and Sikeston. Season tickets are $40 for the non-children's shows and $50 for all shows.

Chuck Stratton reviewed the emergency notification system that is being installed on the Poplar Bluff campus. This system is integrated with the city notification system. Chief Stratton and Jack Armor have worked together to update the procedures for campus safety and protection.

Dr. Stephenson wished Trustee Davis a happy birthday for his upcoming birthday.

Dr. Stephenson recognized Dr. Richard Camp, the donor of the land for the new entrance to the campus. Dr. Stephenson also thanked Mark Richardson for his participation in completing this transaction.

Chairman Garrison read the resolution to receive the donation from Quapaw Properties and to authorize Dr. Stephenson to execute the transfer of deed to the city in order to begin the construction of the new main entrance into the campus. Mark Richardson stated that there were several individuals who worked diligently on the project including Allen Brooks, Emily Parks with the Endowment Trust, and Billy Cobb with Smith & Co. Construction is expected to begin in December with a completion date of June 2014.

Trustee Davis made the motion to accept the resolution with a second by Trustee Thornton. The board was polled as follows: Trustee Davis, yes; Trustee Grassham, yes; Trustee Thornton, yes; Trustee Ressel, yes; Trustee Winston, yes; Trustee Winston, yes.

Charlotte Eubank presented the options of auctioning the Emerson building and contents or selling the property as is. Discussion continued as to whether or not the market has improved from the previous attempt to sell the building. The cost of the auction was discussed allowing us to retain the property and benefit from the proceeds of selling the building.
Dr. Stephenson made the recommendation to auction the building, clear the property, and then place the vacant property on the market for sale.

Trustee Winston made the motion to proceed with the auction and then contract with a commercial real estate agent to list the property. Trustee Davis seconded the motion. The board was polled as follows: Trustee Garrison, yes; Trustee Davis, yes; Trustee Grassham, yes; Trustee Thornton, yes; Trustee Ressel, yes; Trustee Winston, yes; Trustee Winston, yes.

Dr. Stephenson opened the discussion regarding the requirement that all athletic students carry primary insurance allowing the college policy to be a secondary coverage. He stated that the board book contained a detailed history of previous actions taken regarding athletic insurance and that the administration would not make a recommendation on this matter. However, he did state that he personally believed in a position of shared responsibility rather than entitlement in this matter.

Trustee Garrison stated that the athletic insurance is a cost of doing business and that the college should cover injuries at all costs. He stated that the board members are in agreement that the primary coverage should rest with the college.

Dr. Totty informed the board that she is investigating options for the athletes for monthly payments through their college accounts. Trustee Garrison felt that this was a good alternative to a onetime payment.

Trustee Winston and Trustee Ressel are in agreement that we should recommend to the athletes that they carry private insurance but not require it.

Trustee Ressel made the motion to “recommend” instead of “require” our athletes to have primary insurance. The motion was seconded by Trustee Davis. The board was polled as follows: Trustee Davis, yes; Trustee Grassham, yes; Trustee Thornton, yes; Trustee Ressel, yes; Trustee Winston, yes; Trustee Winston, yes.

Dr. Payne presented the new policies that define our Curriculum Development, Definition of a Credit Hour and Credits for Non-Traditional Learning students. Tom Mickes has reviewed the policies and has provided his written approval.

Trustee Winston made the motion to adopt the policies with a second by Trustee Davis. The motion was unanimously approved.

Dr. Stephenson informed the board that the ribbon cutting for the Academic Resource Commons and the Mobile Training Lab Units is being held on September 25. In order to eliminate the need for
the board members to travel to Poplar Bluff twice the administration is recommending moving the board meeting to the 25th.

Trustee Winston made the motion to change the date of the September board meeting to September 25 at 1 pm with a second by Trustee Thornton. The motion was unanimously approved.

Trustee Winston made the motion with a second from Trustee Davis to move into executive session. The board was polled as follows: Trustee Davis, yes; Trustee Garrison, yes; Trustee Thornton, yes; Trustee Ressel, yes; Trustee Winston, yes; Trustee Grassham, yes.

Those present included: Trustees: Darren Garrison, chairman; Randy Grassham, vice-chairman, absent; Ben Ressel, secretary; Phil Davis, treasurer; Wilbur Thornton, member; Randy Winston, member, absent; and college administrators: Dr. Devin Stephenson, president; Dr. Wesley Payne, vice president for learning; Dr. Angela Totty, vice president for student success; Charlotte Eubank, chief financial officer; Janine Heath, recording secretary.

Trustee Garrison delivered the invocation.

The agenda was unanimously approved as presented with a motion by Trustee Davis and a second by Trustee Thornton.

The minutes of the meeting on August 28, 2013, were unanimously approved as amended on a motion by Trustee Ressel and second by Trustee Davis.

The minutes of the Tax Levy meeting on August 28, 2013, were unanimously approved on a motion by Trustee Davis and a second by Trustee Ressel.

Charlotte Eubank reported the college’s revenue and expenses as of August 31, 2013. At 17% into the fiscal year the college has recognized 32% of the budgeted revenues. The revenues include fall registration and are currently at 56% of total budget. Expenses are at 12% of the budgeted expenses. The financial report was unanimously approved as presented on a motion by Trustee Thornton and second by Trustee Ressel.

Dr. Stephenson announced that the college has been awarded a $2.75 million grant from the Department of Labor. This grant will allow the college to create new workforce training programs including advance manufacturing, advanced welding and precision agriculture. This grant is the largest in Three River College history. It was developed in partnership with community employers. A special thanks was given to our many partners and advocates and the college’s Government Relations Impact Team comprise of the president, center directors, and Michelle Reynolds.

The college has applied for a $500,000 grant through the USDA’s RUS grant program to upgrade our ITV equipment and another
grant application has been submitted for state funds in the amount of $150,000 for our Nursing and Allied Health grants.

Dr. Stephenson informed the board that the new billboard for the Eastern Campus is installed. This will increase the visibility of the campus.
