

LPN-RN Bridge (AAS)

Degree Type: Associate of Applied Science Degree

Division: Health & Human Services

Purpose: The LPN/ADN Bridge Curriculum is designed for students selected for admission to the nursing program who are Missouri Licensed Practical Nurses interested in achieving an Associate of Applied Science degree and in applying for licensure by examination as a Registered Nurse. LPN-RN Bridge students must meet the same admission criteria as other Nursing students*. To qualify, the selected student must additionally:

- Have an active, unencumbered license as a Licensed Practical Nurse with privileges to practice in the state of Missouri.
- Demonstrate satisfactory performance on screening assessment.

Upon successful completion of NURS 108 - 16 hours of nursing credit are articulated (NURS 116, 118, 128, & 129).
