Curriculum Development

Faculty members, based on their respective disciplines, scholarship, expertise in curricular areas, shall have collective responsibility for the curriculum and shall be responsible for initiating curriculum proposals. The President and administration shall be responsible for acting on curriculum proposals, including making recommendations to the Board of Trustees, the Coordinating Board for Higher Education, the Higher Learning Commission, and/or the Department of Elementary and Secondary Education, as applicable. Curriculum decisions shall be consistent with major curricular goals and the strategic plan of the College.

The curriculum reflects the primary learning outcomes for programs of study and courses and demonstrates that knowledge and/or outcomes have been clearly defined for each course and program of study as they relate to the College's mission and purposes.
