General Program Information

- The Hannibal-LaGrange (HLG) Teacher Education (TE) program consists of three consecutive full-time semesters.
- Two academic semesters and one student teaching semester.
- Students can begin the HLG TE program with 12 TRCC hours still to finish, but must complete all general education courses before their student teaching semester.
- Classes meet every Monday and Thursday evenings beginning at 5:30 in TRCC Room A207. Begin and end dates for semesters usually follow the TRCC calendar.
- Students must complete admission paperwork the semester before enrolling in the HLG Teacher Education program. An HLG Teacher Education degree audit can be completed by the HLG Advisor at any time during the AAT process as early as the first semester. The earlier the student can meet with the HLG Advisor, the better plans can be made for completion desired degrees.
